RE: THE METROPOLITAN TRADING COMPANY (MTC) ENHANCED BUSINESS MODEL (EBM) TENDER ADVERTISEMENT

The Metropolitan Trading Company (MTC) is advertising a tender for an Enhanced Business Model proposal. The MTC is issuing this RFP for a set of linked agreements with a single purchaser that will also serve as a service provider to achieve the following objectives:

- The sale of its network assets to the service provider.
- Contract with the service provider for specified or agreed required network service levels, over a 12-year period
- Bidder to propose an approach whereby MTC has a right of first refusal in the event that the service provider makes the decision to sell the network

The tender document will be available at the MTC Offices or via email. The address is given below:

33 Hoofd Street
Forum 4, 1st Floor
Braampark Office Park
Braamfontein

The non-refundable document price will be R 1 105.00 and this amount must be deposited into the MTC account before collection of the tender document and tender submission. MTC will not accept any cash. The tender document can be downloaded from the National Treasury eTender portal or the MTC website from Wednesday (22 May 2019).

A compulsory briefing session is scheduled for the 27th of May 2019 at 11h00 at MTC offices.

The MTC bank account is as follows:
