CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement

between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide

measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

- a. take all reasonable steps to prevent such abuse;
- b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
- c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that,

when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be

completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.

LEGISLATIVE FRAMEWORK

1. Principal Framework

The information contained under this heading summarises certain of the principal statutory provisions applicable to the transaction concluded between the Parties. It is included for information purposes only and should not be regarded as legal advice, it being incumbent upon the Contractor to familiarise itself with the legislative framework. These provisions apply at law and the Parties are not competent to exclude the operation thereof by mutual agreement. As such, no agreement, transaction or series of transactions concluded outside of or in contravention of the legislative framework and the procedures provided for therein shall be binding on the Parties notwithstanding the capacity or office held or undertakings given, in writing or otherwise, by the persons contracting on behalf of either Party.

Municipal Entity

1.1 MTC is a municipal entity contemplated in section 1, read with sections 86B(1)(a)(i) and 86D(1)(a), of the Municipal Systems Act (32 of 2000), (“MSA”). It was established as such by the Greater Johannesburg Metropolitan Council (predecessor to the City of Johannesburg Metropolitan Municipality or “COJ”) who procured, by virtue of the provisions of section 17D of the Promotion of Local Government Affairs Act (91 of 1983) the formation, registration and incorporation of its broadband as the MTC (SOC) Limited in terms of the Companies Act, with the COJ as its sole shareholder. Upon the foregoing and as required by the MSA, MTC entered into a Service Delivery Agreement with the COJ in terms of which MTC was appointed as an external mechanism for the delivery of a municipal service with the mandate to manage and operate the business of broadband and its assets.

Organ of State

1.2 As a municipal entity MTC is an “organ of state” as defined in section 239 of the Constitution of South Africa (108 of 1996) read with section 1 of the Institution of Legal Proceedings Against Organs of State Act (40 of 2002).

Municipal Finance Management Act

1.3 Contracting with MTC is subject, amongst others, to the Municipal Finance Management Act (56 of 2003) (“MFMA”), the MFMA Supply Chain Management Regulations (GN 868 in GG 27636 of 30 May 2005) (“SCM Regulations”) and, specifically, MTC’s Supply Chain Management Policy made in terms of section 111 of the MFMA and regulation 2 of the SCM Regulations (collectively referred to as the “SCM Regulatory Framework”). In terms of the irregular expenditure provisions of the SCM Regulatory Framework, MTC is prohibited from making any payment in relation to goods or services unlawfully or irregularly procured and/or rendered, notwithstanding that value might have been received.

Consumer Protection

1.4 1.4 The Consumer Protection Act (68 of 2008) does not, in terms of section 5(2)(a), apply to any transaction in terms of which goods or services are supplied to the State. However, section 5(5) stipulates that notwithstanding the foregoing exemption, those goods, and the importer or producer, distributor and retailer of those goods are nevertheless subject to, amongst others, the provisions of section 61. Section 61 sets out the liability of the producer and/or supplier for any harm caused wholly or partly as a consequence of a product failure, defect or hazard in any goods, irrespective of whether the harm resulted from any negligence on the part of the producer, importer, distributor or retailer, as the case may be. In terms of subsections 61(5)(c) and (d), harm for which the Contractor may be held liable includes any loss of, or physical damage to, any property of MTC irrespective of whether it is movable or immovable including economic loss occasioned by such harm.

Competitive Behaviour

1.5 In terms of section 4(1)(b)(iii) of the Competition Act (89 of 1998) an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if bidders was involved in collusive bidding (or bid rigging). If bidders, based on reasonable grounds or evidence obtained by MTC, have engaged such restrictive practices, MTC may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties. If bidders are found guilty by the Competition Commission MTC may, in addition and without prejudice to any other remedy provided for in this Agreement or at law, invalidate the bid and/or terminate this Agreement in whole or part, and/or restrict the bidders from conducting business with the public sector for a period not exceeding ten (10) years.

Tender Defaulters

1.6 Where MTC terminates this Agreement in whole or in part, it may decide to impose a restriction penalty on the Contractor by prohibiting the Contractor from doing business

with the public sector for a period not exceeding 10 years. If MTC intends imposing a restriction on a Contractor or any person associated with the Contractor, the Contractor will be allowed a period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the Contractor fail to respond within the stipulated fourteen (14) days, MTC might regard the intended penalty as not objected against and may impose it. Any restriction imposed on any person by the Accounting Officer of MTC will, at the discretion of the Accounting Officer, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises, exercised or may exercise control over the enterprise of the first-mentioned person.

- 1.7 If a restriction is imposed, MTC must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:
 - 1.7.1 the name and address of the Contractor and/or person restricted by MTC;
 - 1.7.2 the date of commencement of the restriction;
 - 1.7.3 the period of restriction; and
 - 1.7.4 the reasons for the restriction.
- 1.8 These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

Corrupt Activities

- 1.9 If a court of law convicts a person of an offence under sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act (12 of 2004), the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years.
